\* The District shall install Reduced Pressure Backflow Preventers on new potable water meter services when applicable pursuant to Article 10 of the FPUD Administrative Code.

\*\* The property owner shall be responsible for the Reduced Pressure Backflow Device Retrofit pursuant to Article 10 of the FPUD Administrative Code. Once the device is installed, passes the backflow test, and meets the District's standards, the device will become the property of the District. The device will be charged the standard monthly service charges and will be tested annually.
