DECLARATION OF POSTING

I, Lauren Eckert, Executive Assistant/Board Secretary of the Fallbrook Public Utility District, do hereby declare that I posted a copy of the foregoing agenda in the glass case at the entrance of the District Office located at 990 East Mission Road, Fallbrook, California, at least 72 hours prior to the meeting in accordance with Government Code § 54954.2.

I, Lauren Eckert, further declare under penalty of perjury and under the laws of the State of California that the foregoing is true and correct.

February 10, 2022 Dated / Fallbrook, CA <u>/s/ Lauren Eckert</u> Executive Assistant/Board Secretary TO: Engineering and Operations Committee
FROM: Aaron Cook, Engineering Manager
DATE: February 15, 2022
SUBJECT: Engineering and Operations Key Performance Indicators

<u>Purpose</u>

To provide information to the Board on the Key Performance Indicators (KPIs) that have been developed for Engineering and Operations.

<u>Summary</u>

The primary purpose for developing and tracking KPIs is to provide a performance measurement system that gives management the ability to analyze data, make better decisions, and improve the organization. District KPIs are largely focused on Capital Improvement Projects (CIP), Preventative Maintenance (PM), leak response, and regulatory compliance.

Recommended Action

This is an information item. No board action needed.

MEMO

TO:	Engineering & Operations Committee
FROM:	Kevin Collins, Purchasing/Warehouse/Fleet Supervisor
DATE:	February 15, 2022
SUBJECT:	Request for approval to award one-time paving project to Peters Paving and Grading

Description

This request is for the Engineering and Operations Committee to recommend that the board approve a one-time paving project to Peters Paving and Grading.

Since July 2021, numerous valve replacements and leak repairs have occurred in various areas, all requiring a permanent paving solution. With a total of 47 patches needed, and FPUD staff unable to complete this work, an RFP was issued for a total lump sum one-time paving job. Peters Paving and Grading was the lowest responsive and responsible bidder.

<u>Purpose</u>

As a result of leak repairs throughout our service area, a total of 47 sites have been temporarily patched with cold mix asphalt. In order to fully complete the repairs, the cold mix will need to be replaced with a permanent hot mix. The expectation was that FPUD staff would complete this work internally; however, due to staff shortages, there is a need to contract this job to an outside vendor.

On November 8th, 2021, an RFP was submitted to 10 paving contractors and posted on the FPUD website. Of those 10, four bids were submitted, in the following amounts.

Peters Paving and Grading - \$99,500.00 Cali State Paving - \$115,800.00 Kirk Paving - \$134,500.00 RGC General Engineering - \$248,547.82

Budgetary Impact

For the current fiscal year, \$100,000.00 has been allocated in the operating budget for paving projects required by leak repair and valve replacement.

Recommended Action

The committee recommend board approval of a one-time paving project to Peters Paving and Grading for \$99,500.00
