1. A \$1,594.00 deposit is required at the time of application. The deposit, less the final bill, is refundable when the meter is removed. There is a \$154.00 non-refundable installation fee. **Total Amount Due is \$1,748.00.**
2. Billing is monthly and includes an operation and maintenance fixed fee of \$425.85 for a 2 ½” meter, plus the charge for the water used during the billing period. Water fee is \$9.14 per unit (1 unit equals 1,000 gallons). Fees are subject to change.
3. Relocation of a Construction Meter is to be done by District employees only. There is a fee of \$154.00 for this service. Please submit request at least 24 hours prior to date required.
4. Water may be utilized from either a tank truck or fire hose. If a fire hose is used, the applicant must protect the hose from sudden pressure surges that may cause damage to the District’s water lines.
5. Construction meter is available for the maximum period of 6 months. Extensions may be available upon approval.
6. The applicant agrees that the water service is solely for construction purposes, and shall comply with the Administrative Code of the District. The undersigned is responsible and agrees to pay for all charges and for any damage or loss of the meter or fire hydrant. Monthly field assessment of ‘actual use’ will occur. If misuse is found, service will be terminated. The meter will be removed and a penalty fee assessed.
