## Fallbrook Public Utilities District

 2021/22 Redistricting ProcessAGENDA
01 Redistricting Process
02 Review Draft Maps
03 Next steps and hearings

## Redistricting Process

## STEPS <br> DESCRIPTION

1. Information Meeting /

Community Workshop
2. Prepare Draft Maps

Introduce the redistricting topic and solicit community and board input on Communities of Interest

Consultant will draft proposed maps based on Public Hearing input and staff consultation
3. Public Hearing No. 1
4. Public Hearing No. 2
5. Map adoption

Review Draft Maps; take public input; consider communities of interest

May consider adopting Resolution of approval for final map

- Map adopted via ordinance or resolution
- Final map must be posted at least 7 days prior to adoption

## Redistricting Rules \& Goals

## Federal Law

- Equal Population
- Federal Voting Rights Act
- No Racial Gerrymandering

## California Criteria for Special Districts

- Topography
- Geography
- Cohesiveness, Contiguity, Integrity of territory
- Communities of Interest

## Other traditional principles

- Minimize voters shifted to different election years
- Respect voters' choices / continuity in office
- Future population growth
- Preserving the core of existing divisions

## EXISTING DISTRICTS

## Existing Divisions with 2020 Census Data

Total Population: 34,738 - Ideal Population: 6,948 Total Deviation: 9.64\%

## Findings - Existing Divisions

- Total Deviation is below the acceptable range of $10 \%$ at $9.64 \%$
- Division 3 is a true majority/minority voting district with a $50 \%$ + 1 concentration Hispanic Citizens of Voting Age Population (CVAP)
- May be able to draw a second majority/minority voting district
- Divisions may be adjusted for population balance

## Preeminent Considerations

- Equal population (one person/one vote)
- Geographically contiguous divisions
- Geographically compact
- Measured objectively

## Important Considerations

- "Communities of Interest"
- Physical boundaries
- Natural or artificial barriers
- Roadways, rivers, railways
- Parks, schools, and other landmarks
- Geographic integrity
- Minority voice

## Important Considerations

- "Communities of Interest"
- Political boundaries
- School attendance areas
- Special district service areas
- Federal, state, and county divisions

## Important Considerations

- "Communities of Interest"
- NOT:
- Incumbents' residences
- Political affiliations

## Review of Draft Map Options

- Consultant has prepared two map options (Option 1 and Option 2
- The public has submitted three map options (Public Option A, Public Option B, and Public Option C)
- The author of Option A has requested that Option A be withdrawn

## Review of Draft Map Options

## MAP OPTION 1

## Findings - Public Map Option C

- Total Deviation is above the acceptable range of $10 \%$ at $18.65 \%$
- An online mapping tool display anomaly led us to believe it was below $10 \%$
- Collaboratively drawn with the community at the workshop
- Draws Divisions 2 and 3 as majority/minority Hispanic voting divisions
- Defers a population of 4,248 from a 2022 voting cycle to a 2024 voting cycle
- Accelerates a population of 3,350 from a 2024 voting cycle to a 2022 voting cycle
- Creates somewhat compact, contiguous voting divisions

## Discussion

1. What is your neighborhood and what are its boundaries?
2. What other notable areas are in the jurisdiction, and what are their boundaries?
3. Offer comments on proposed maps
4. The public may continue to submit maps until April 4, 2022
